**DOCTORATE IN
PSYCHOLOGY PROGRAM**
Universitas Gadjah Mada

VISION

To establish a pioneering, world-class doctoral program in psychology that is distinguished for its innovation and excellence, committed to serving the nation and humanity, and deeply rooted in the cultural values of the nation as embodied in Pancasila.

MISSION

To produce graduates who are equipped to conduct cutting-edge research in psychology, become leaders in their respective fields, and compete successfully on national, regional, and international stages.

NEW STUDENT ADMISSIONS

Prospective candidates for the Doctoral Program must fulfill the following criteria:

Academic Requirements

1. Diploma equivalency letter from the The Directorate General of Higher Education, Research, and Technology (DGHERT) as a substitute for the accreditation certificate.
2. Must have achieved a minimum cumulative GPA of 3.25 on a 4.0 scale in the master's program.
3. Must have at least one (1) article published in a national scientific journal or one (1) manuscript ready for submission to a reputable international journal.
4. Must provide two (2) recommendation letters from individuals familiar with the applicant's academic capabilities. These may include:
 - Two (2) lecturers from the applicant's master's or undergraduate program (for those without institutional affiliation), or
 - One (1) workplace supervisor and one (1) master's program lecturer.

Administrative Requirements:

1. Color scan of passport (personal information page) or other ID.
2. Official passport-sized photograph.
3. International Health Insurance.
4. Dissertation research proposal.
5. Certified copies of diplomas and academic transcripts.
6. Curriculum vitae (CV).
7. Medical certificate issued by a licensed physician.
8. For employed applicants, a study permit from their employer.
9. A scientific publication manuscript.
10. If available, evidence of additional education or training.
11. If applicable, proof of participation in scientific activities.
12. Statement of financial commitment for the duration of the study.
13. Documentation of communication with a prospective supervisor.
14. A personal statement of academic and professional goals.
